General Information:

James P. Doyle (Jim) was a longtime educator and advocate for the arts as an integral part of education. Jim was a trustee and president of Burklyn arts Council for many years and a friend.

Burklyn Arts Council scholarships acknowledge and encourage graduating 8th graders with artistic talent. Please note that the most successful scholarships come in the form of materials. A voucher will be presented to those receiving lessons. This voucher should be filled in by the instructor after completion of lessons and mailed to Burklyn for payment.

Proof of purchase of materials is required prior to reimbursement from Burklyn – please submit copies of purchase orders, sales receipts, etc.
